Re: Transfer of Small Mining Permit, Beryl 1, S/023/018, Juab County, Utah

Dear Mr. & Mrs. Sprunger

It has come to our attention that we have never received a transfer for the Beryl 1 small mining project, that we understood was going to be transferred from Sprunger's Minerals to Gemstone Mining. Enclosed is a small mining transfer form, which you will need to complete as the Current Operator of record. Then please forward the form to Gemstone Mining to sign and have notarized as the New Operator. When the form is complete, please return to this office for Division approval.

This needs to be accomplished as soon as possible, as the 1999 permit fee billing statements will be going out before the end of the month. If this transaction is not completed and accepted by the Division Director before then, you will receive the bill and be responsible for the 1999 permit fees for this project.

Thank you for your cooperation. If you have any questions regarding this letter, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
Senior Reclamation Specialist
